CDAC also provides financial assistances and grants bursaries to needy families and students through the CDAC-SFCCA Hardship Assistance Fund and CDAC-SFCCA Bursary schemes.</p>

CDAC Vision 2012 : Our Three Key Thrusts

- Beyond survival, towards greater **social mobility**
 - to continue helping the bottom 20 percentile to be self-reliant. In addition, CDAC will selectively help those with potentials (including students and parents) to do better in life and rise to a higher percentile.
- From community partnership, towards **community co-ownership**
 - to continue working closely with Community Development Councils (CDCs), grassroots organisations and voluntary welfare organisations to leverage on each other's strengths; and to enhance and strengthen the reach and effectiveness of CDAC in the community.
- Not just an efficient implementer, but also an **effective integrator**
 - to continue enhancing its core competency and spearhead its core programmes targeted at the bottom 20 percentile. At the same time, to strengthen its ability to partner with other organisations with complementary strengths.
